"We have been raising funds for our school teams for twenty years, and the online magazine fundraiser has proven to be one of the most effective programs we have found. It's easy to administer and it really fits today's high-tech world. It should be an integral part of any group's fundraising arsenal."

Scratch Card Fundraising
How Does It Work

1 **SCRATCH** -Every participant in your group is given one Scratch card. Each card has the potential to raise \$100. Participants invite supporters to scratch off one or more of the 60 colored circles on the card.

2 **DONATE** -Supporters donate the amount of money that was revealed beneath the scratch off dots. Donation amounts range from FREE to \$2.50. It's really just pocket change, so it's easy for your group to ASK and easy for supporters to GIVE.

3 **RECEIVE** - Everyone who donates to your campaign receives a coupon sheet worth over \$100 in savings as a thank you gift. These coupons are offered by some of the most popular national retailers and restaurants in the United States.

1. Donor Scratches Dots.

2.They Donate uncovered amounts \$0.-\$2.50

Not only did we raise enough for the shirts, but we were also able to replace our net and throw a huge party for the kids. A fund raiser consultant suggested that we customize our coupons in order to have a more successful fund raiser. We took your advice and our local car wash, sporting goods store, and donut shop were pleased to participate in the soccer fund raiser in return for the free advertisement from the fundraiser."

Scratch Card Fundraising

**See what Coaches, Managers and
Group Organizers are Saying!**

"This Fundraising Program is so QUICK and EASY that everyone will love it!"

The easiest fund raisers we've ever done! With 40 kids fund raising, our school raised \$3,200 in just 2 weeks. The fund raiser was easier than selling candy or chocolate bars and people love the coupons. I'll be ordering more booklets next year."

Tim Lenderman -HEAD COACH HOLLYWOOD HIGH
SCHOOL FOOTBALL

Thank you for helping our baseball team. With the Scratch & Help Fund Raising Program, our group of 40 kids raised \$3,500 in less than 2 weeks. Amazing! I recommend any group that is considering school fund raisers to use Scratch & Help. With coupons like Pizza Hut, Church's Chicken, Subway, and Sonic Burger, just to name a few, people were more than happy to donate a few dollars to our school fund raising efforts!"

Eric Landrv -WEST VALLEY YOUTH BASEBALL

On behalf of the White Plains High School soccer program, we would like to thank you for the wonderful opportunity of having used your Scratchcards fund raiser. The top rate customer service and immediate delivery enabled us to raise over \$4,000 in only two weeks. With this large sum of money we were able to purchase warm-ups and travel bags for our entire team. Not only did your 90% profit guarantee become a reality, but your Scratchcards, more than any other fund raiser we have used in the past, brought our team closer together. We are currently enjoying one of our finest seasons in many years, and are already looking forward to next year's fund raising effort. I cannot image why others would not want to use this program, they would simply be missing out!"

Coach Marcel Galligani—Boys Varsity Soccer

"I would like to thank you for your outstanding fundraising program, it helped our organization raise over \$2,000 towards its trip to the National tournament in Des Moines, Iowa at the end of July. Only with great fundraising programs like this could we have had the opportunity to enjoy a once in a lifetime opportunity like that. We went in seated 27th and finished 5th in the nationals. Again thank you for your help. We will look forward to using your company again."

David St. Hilaire -Clearwater Slammers
